Summary

Executive Assistant with 12+ years of experience supporting senior executives across healthcare, government, and organizational environments. Skilled in executive administration, stakeholder engagement, calendar and meeting management, document control, reporting, and cross-functional operations. Proven ability to streamline workflows, strengthen executive accountability, and manage competing priorities with accuracy and discretion. Seeking to contribute strong organizational, communication, and problem-solving skills to enhance executive effectiveness and support strategic priorities.

Experience

Executive Assistant
World Defense Show (WDS) | 2023 – Present

- Coordinate the activities and follow-up of 6 committees and 18 affiliated working groups, ensuring alignment on priorities, deliverables, decisions, and assigned actions.
- Serve as a key point of contact for more than 55 entities and 290 representatives, managing stakeholder communication, coordination, information exchange, and timely follow-up on committee requirements.
- Provide high-level administrative and strategic support to senior executives, managing priorities, daily operations, and executive needs.
- Serve as a liaison between senior leadership, internal departments, external partners, and key stakeholders, ensuring effective communication and information flow.
- Manage executive calendars, correspondence, communications, appointments, and official documents while protecting executive time and handling sensitive matters.
- Organize executive and board meetings, committees, and briefings, preparing agendas, presentations, minutes, resolutions, and supporting materials.
- Prepare executive reports, dashboards, performance summaries, analyses, and presentations to support leadership reviews and decision-making.
- Track executive decisions, action items, KPIs, strategic initiatives, and key deadlines, providing leadership with concise status updates and escalating issues when required.

Office Manager
General Secretariat of the National Risk Council (GSNRC) | Legal Affairs Department | 2021 – 2023

- Coordinated Board and Council meetings, preparing agendas, materials, minutes, and action trackers to document decisions and ensure accountability.
- Managed departmental operations, correspondence, appointments, and official communications with government entities, committees, and external stakeholders.
- Prepared executive briefings, reports, presentations, RFPs, scopes of work, and project documentation to support leadership decision-making.
- Maintained confidential legal, administrative, and governance records and databases, ensuring secure storage, accessibility, and accurate information management.
- Monitored action items, deadlines, approvals, and departmental requirements while improving administrative workflows.

Office Manager to the Chief Executive Officer (CEO) | Deputy Chief Executive Officer (Deputy CEO)
General Secretariat of the National Risk Council (GSNRC) | 2020 – 2021

- Managed daily operations of the CEO and Deputy CEO offices, overseeing priorities, schedules, executive requests, and administrative requirements.
- Administered executive correspondence and communications, ensuring timely responses and effective information flow across departments and stakeholders.
- Prepared executive briefings, reports, presentations, and meeting materials to support leadership discussions and decision-making.
- Coordinated executive meetings, travel, official engagements, and logistics, ensuring smooth and timely execution.
- Monitored executive decisions, action items, and strategic initiatives, coordinating with relevant teams to track progress.

Executive Assistant
General Secretariat of the National Risk Council (GSNRC) | Chief Executive Officer (CEO) Office | 2019 – 2020

- Oversaw the CEO’s daily administrative activities, including priorities, appointments, correspondence, and executive requests.
- Facilitated communication between the CEO’s office, internal departments, government entities, external organizations, and key stakeholders.
- Prepared agendas, briefing notes, reports, presentations, and supporting materials for meetings and strategic discussions.
- Maintained records of executive decisions, directives, and pending matters, monitoring progress and escalating outstanding issues when required.
- Handled confidential documents and information while improving administrative workflows, document control, and information management.

Hospital Assistant
King Faisal Specialist Hospital & Research Centre (KFSHRC)
Education Services and Allied Health Programs | 2015 – 2019

- Administered departmental budgets, purchasing requirements, financial transactions, and international CHRN/CHT examinations.
- Coordinated daily administrative activities across Education Services and Allied Health Programs, managing schedules, documentation, and operational requirements.
- Supported educational program delivery by coordinating courses, facilities, instructors, participants, and related requirements.
- Maintained student and program records and prepared accurate reports, correspondence, and management documentation.
- Improved administrative workflows and facilitated communication among students, faculty, healthcare professionals, and stakeholders to enhance service efficiency.
